# NATIONAL YOUTH SPORTS COACHES ASSOCIATION

The National Youth Sports Coaches Association (NYSCA) is a national coaching certification program for youth sports. Its goal is to teach coaches how to be positive role models, understand a child's training habits, organize practices, prevent and cure athletic injuries, and to teach sport skills.

*At least one coach from every youth team must certify through the NYSCA.* The Hays Recreation Commission pays the \$20.00 registration fee for any coach wishing to be certified. Along with the certification, the coach also receives liability insurance as well as a membership card. Be a part of this outstanding program. If you are a coach, sign up for the certification clinic. If you are a parent, ask your child's coach if he/she is NYSCA certified. Call the HRC office for more information.

If you have never been certified or it has been more than 2 years since you were certified you will need to attend both the General Session and the Sports Specific Session. If you are currently certified in another sport besides Soccer you will only need to attend the Sports Specific Session.
