2018 YOUTH VOLLEYBALL RULES

The 2018 HRC Youth Volleyball League will be governed similar to Junior High School volleyball. All games are governed by the 2018 Kansas High School Volleyball rules except where modified for the youth.

GENERAL RULES OF THE HRC VOLLEYBALL PROGRAM

- The court of play may be modified to make it appropriate for each age group.
- No street shoes will be allowed to play in. A player shall not wear anything which is dangerous to another player such as: jewelry, watches, rings or neck chains. No food or drinks are allowed in the gym and please no coolers.
- **Teams are allowed one (1) practice per week lasting one (1) hour and fifteen (15) minutes in length at the Hays Recreation Center.**
- *All participants will receive a practice ball at their first practice to be utilized for practices.* Game balls will be provided on game days (Tachikara Lite Spike and Tachikara Game). **All players are required to have knee pads for play.**
- At the beginning of the game, choice of serve or side shall be determined by a flip of the coin. The team winning the flip will have the choice of service or side of play. Teams will switch sides for the next game. For the third game service and side shall be determined by a flip of the coin.
- Rally scoring will be utilized for scoring. Games will be to twenty-five (25) points and teams must be ahead by two (2) points. A match is the best two (2) out of three (3) games. **If a match goes to a third game that game will be played to fifteen (15) points and teams must be ahead by two (2) points.** If a team wins the first two (2) games of the match a third (3) game may be played only if time permits, and **if agreed upon before the match.**
- Net height for the 3rd and 4th grade will be approximately 6 feet 6 inches and net height for 5th and 6th grade will be 7 feet 4 inches.
- Ordinary play is based on six players, but **teams may start with four players.** Three players or less constitutes a forfeit. Teams will consist of six to eight players. If you have more than six players then you must play them all and they must rotate in at the center back position, in place of the server. A sixth person just arriving may enter the game on a dead ball when ready at center back. Coaches may not skip people in the rotation. This will allow the most equal playing time. 2

2018 YOUTH VOLLEYBALL RULES

- **NOTE*** For 5th and 6th grades only. **Substitutions will continue to be made for the middle back position, but instead of players just running in and out, they will be required to sub on the net side of the 10 ft (spiking line).** This has been changed to prepare players for competitive play at the junior high level. This type of substitution is required by KSHSAA. We want to teach the players the appropriate requirements to properly prepare them to play or watch and understand game rules.
- **The first server of a game shall be the right back player of the serving team.** Servers will serve anywhere on the end line. Any served ball that touches any part of the ceiling will result in a side out. Serves may hit the net and go over. This is called a "Let Serve."
- Servers will not be allowed to serve more than four points in row. After the fourth service point in a row the serving team will rotate positions, but maintain the serve. Also, once a team has scored eight (8) points in a row it will be a side out and service will go to the opposing team (*no point will be awarded to the opposing team however*). **In the 3rd and 4th grade division the server has two attempts to get a serve in play. In the 5th and 6th grade division the server will have two attempts to get a serve in play for their first set, of their first match only. After the first match they will get no second chances on a service error. EXCEPTION BEING IF THEY ARE PLAYING A TEAM PLAYING THEIR FIRST GAME.**
- In the 3rd and 4th grade division a forward service line will be established. The server must serve from behind this line. ALL servers will be attempted from the forward service line in the 3rd and 4th grade division. However, in the 5th & 6th grade division, overhand serves will be attempted from middle service line, and all underhand serves must be attempted from the back service line.
- Teams may play the ball off of the ceiling if they have hits remaining. Facility obstructions that will affect play will be discussed in pre-game by the referee.
- If for any reason a manager/coach sees fit not to play a player (disciplinary reasons), that manager/coach must first contact the Sports Director for approval. Unless approved by the HRC Sports Director, all players must play. Violators of this rule may forfeit the game. If someone is present and cannot play due to injury, then the coach must notify the official. Coaches must have a justifiable reason for not playing their players. Coaches should contact parents first to determine the reason a player is absent. Some reasons are legitimate.
- Protests are allowed only for the purpose of determining an ineligible player. All other questions regarding a ruling by an official shall be settled on the spot by the official and supervisor if available. Judgment calls are not open to discussion.
- Each team is allowed one (1) time-out per game. Time-outs will last one (1) minute in length and can only be called by the coach on dead balls.
