2018 HAYS RECREATION COMMISSION BASEBALL LEAGUE RULES

The 2018 HRC Baseball League will be governed by the 2018 Official Baseball Rule Book as published by the National Baseball Congress & Hap Dumont with the following league rules.

GENERAL RULES

1. NUMBER OF PLAYERS: Nine (9) players will constitute a team. A team may start play, and continue a game with **seven (7) players**. Anytime a team falls below **seven (7)** players, that team will forfeit the game. However, if a player leaves voluntarily or due to an injury a player has to leave the game making that team fall below **seven (7)** players it will not be considered a forfeit. **If a team knows that they will not have enough players to field a team then that team may pick up player(s) from younger HRC age division without having to forfeit. SUBSTITUTE PLAYERS MUST BE SIGNED UP FOR HRC BASEBALL/SOFTBALL!** However, that team may only pick up enough players to field a team that being nine (9) players except in the 6,7&8 year old pitching machine league where up to ten (10) players is considered a full team. Teams will forfeit their game if they pick up more players than nine (9). If a younger player is brought up to play they must be listed last in the batting line-up. Please contact the HRC office if you pick up a player from a younger HRC division.

2. PRACTICE TIMES: Teams are allowed four (4) hours of practice per week until games begin. Once games begin, teams are allowed two (2) hours of practice per week (**only 1.5 with access to infield**). A week runs from Monday to Sunday. If a team practices more than the allotted time per week the penalty is as follows: The first offense the coach will be suspended for one (1) game. The second offense will be that team forfeiting one (1) game and the coach will be suspended for two (2) games.

3. BATTING LINEUP: **All teams must bat their roster** (meaning that all players must bat in the batting order). If a team has ten (10) team members, ten (10) names are listed on the batting lineup. If a team has twelve (12) team members, twelve (12) names are listed on the batting lineup. A player or players that arrive late during the game can be added onto the bottom of the batting line-up.

4. SUBSTITUTION: Players are **NOT ALLOWED TO "SIT THE BENCH" FOR TWO (2) OR MORE CONSECUTIVE INNINGS. ALSO A PLAYER MAY NOT SIT OUT MORE THAN TWO (2) INNINGS OF PLAY PER GAME.** For example: If a player sits out the first (1st) inning that player must play in the field the second (2nd) inning. Exceptions to this rule is the 6,7&8 year old league where all youth play every inning. This rule may not apply if a player is being held out for disciplinary reasons (see rule 6). Also NO substitution will be allowed during the inning (exception is the pitcher). The exception to this rule is if a player is injured or

has to leave the game. In addition we recommend that all players sit out at least one (1) inning per game.

5. COURTESY RUNNER/INJURED PLAYER: A player who is injured and cannot run the bases may be replaced by a courtesy runner. This courtesy runner will be the player in the line-up that has made the last out. However, teams may only use this runner for a player that is injured. The injured player will be evaluated by the coaches and umpires to see if that injured player can continue play during that game. Any player who becomes ill or is injured and will not return to the line-up for the remainder of the game, will be skipped in the line-up with no penalty. If the player wishes to return to the game, an automatic out must be issued each time his turn at bat occurs and he does not bat. An automatic out will be assessed if a player is ejected from a game.

6. DISCIPLINARY REASONS: If for a specific reason a manager/coach sees fit not to play a player (disciplinary reasons), that manager/coach must first contact the sports director or assistant sports director for approval before any action is taken. Coaches must have a justifiable reason for not playing their players. Coaches should contact parents first to determine the reason a player is absent. Some reasons are legitimate. Failure to comply with this rule will result in forfeiture of the game.

7. RUN RULE: A game is run ruled when one team is leading another team by fifteen (15) or more runs after three (3) complete innings or when one team is leading another by ten (10) or more runs after four (4) complete innings. If a run rule occurs teams may continue to scrimmage until their time limit has expired.

If the defensive player overthrows second base the player may **NOT** advance to third base.

5. TIME OUT: The umpire will call time when in their **JUDGMENT** no further play is taking place and the ball is in possession of a infielder in the infield area.
